# EVENT DIAGRAMMING AND GUEST MANAGEMENT SOLUTION

The most dynamic diagramming and guest management platform on the market

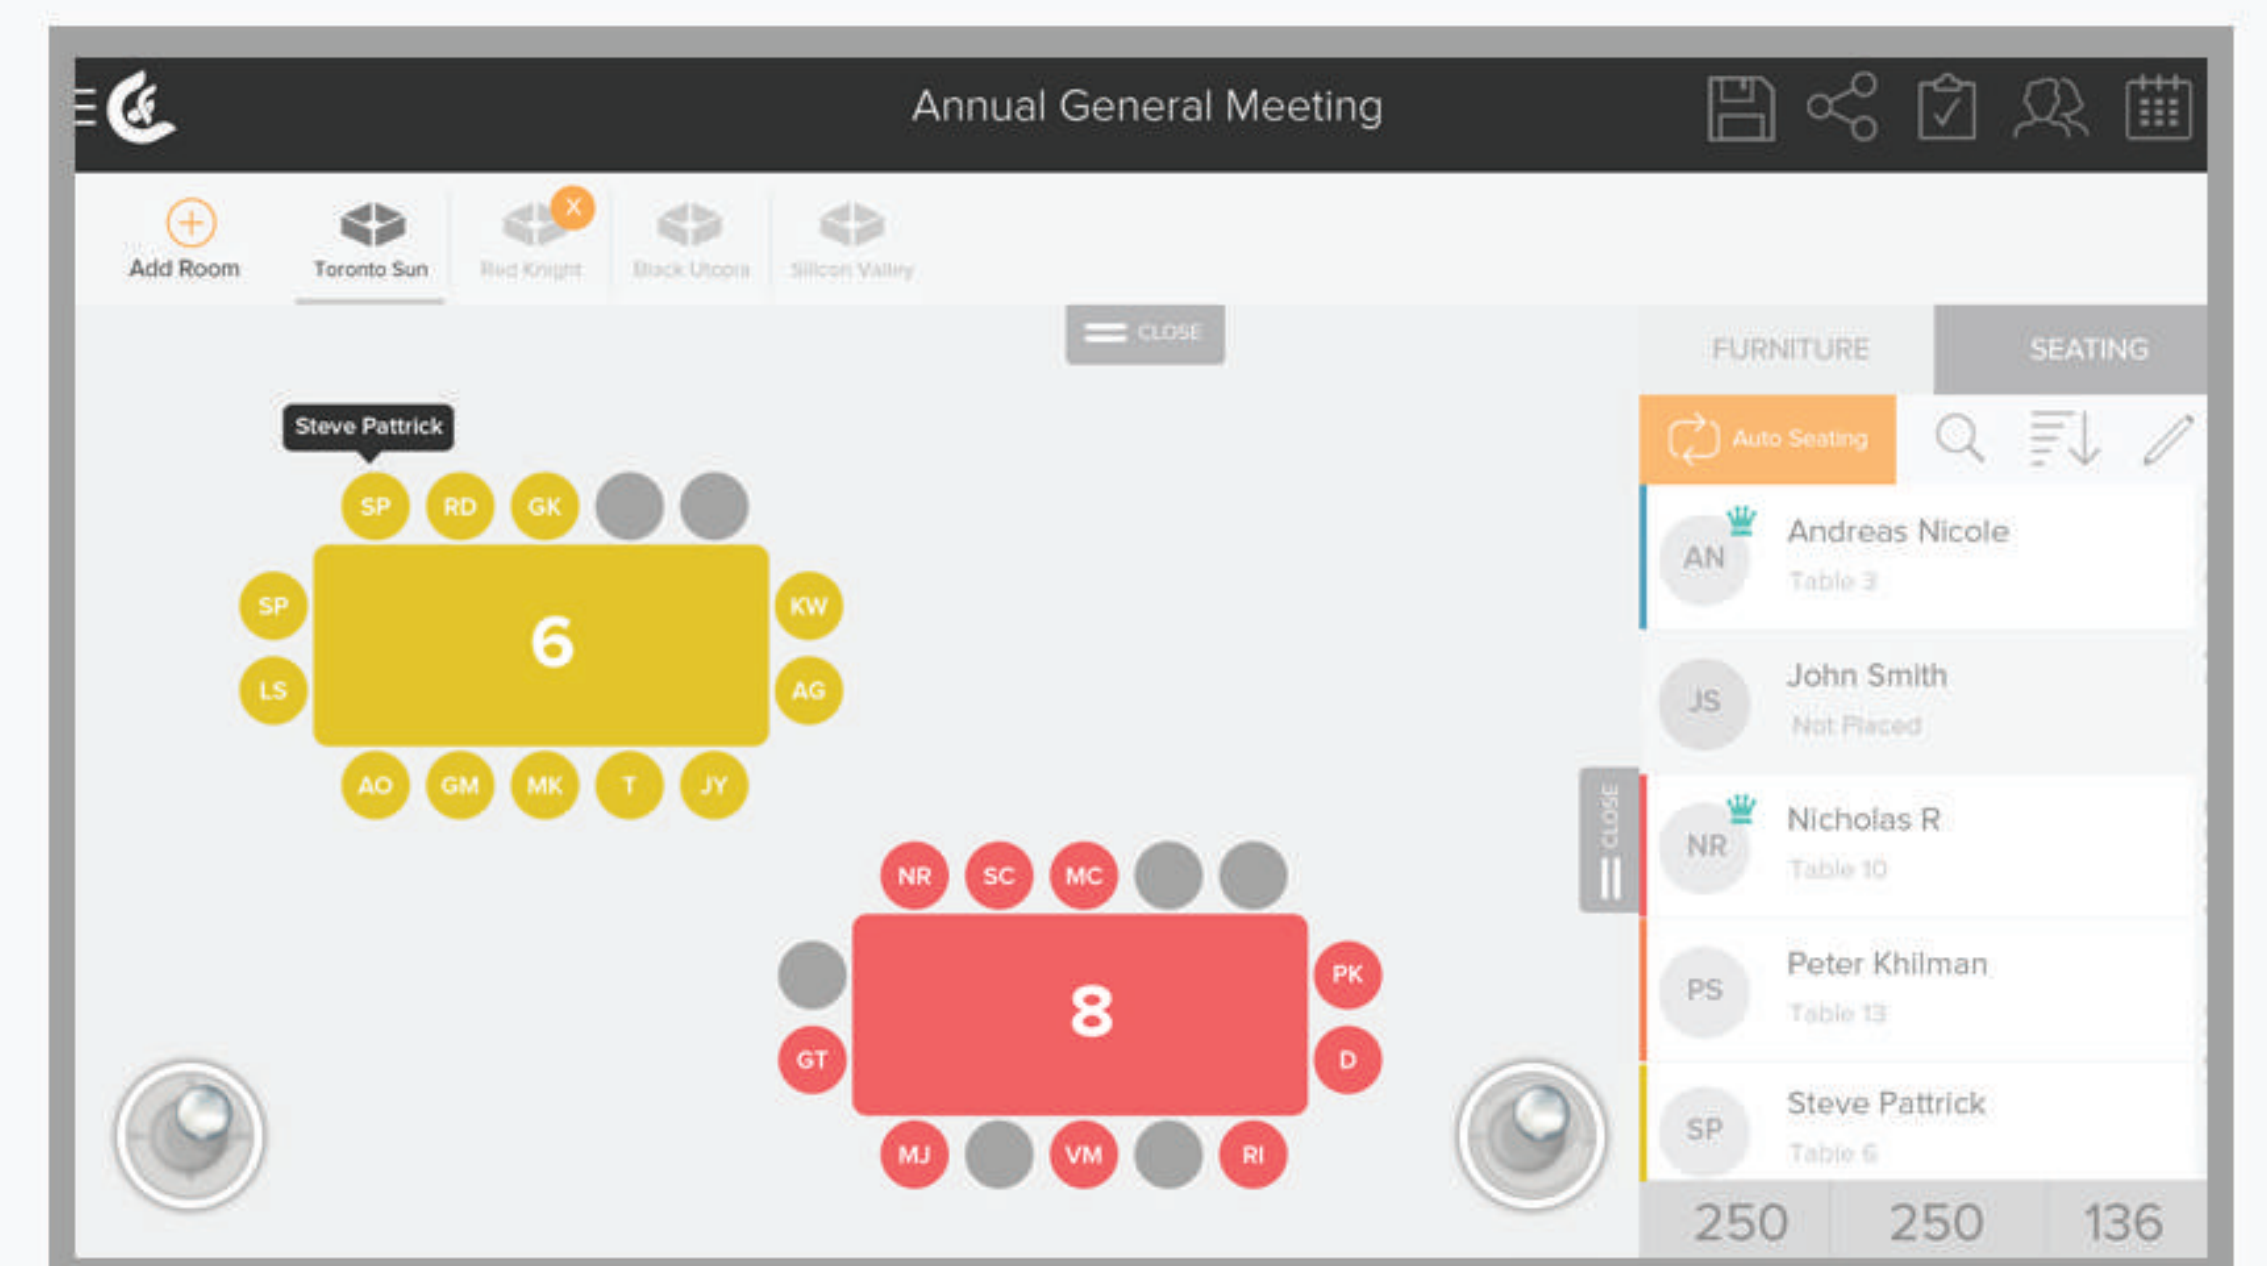

## EVENT DIAGRAMMING

Collaborate with team members and clients to create an enhanced event experience.

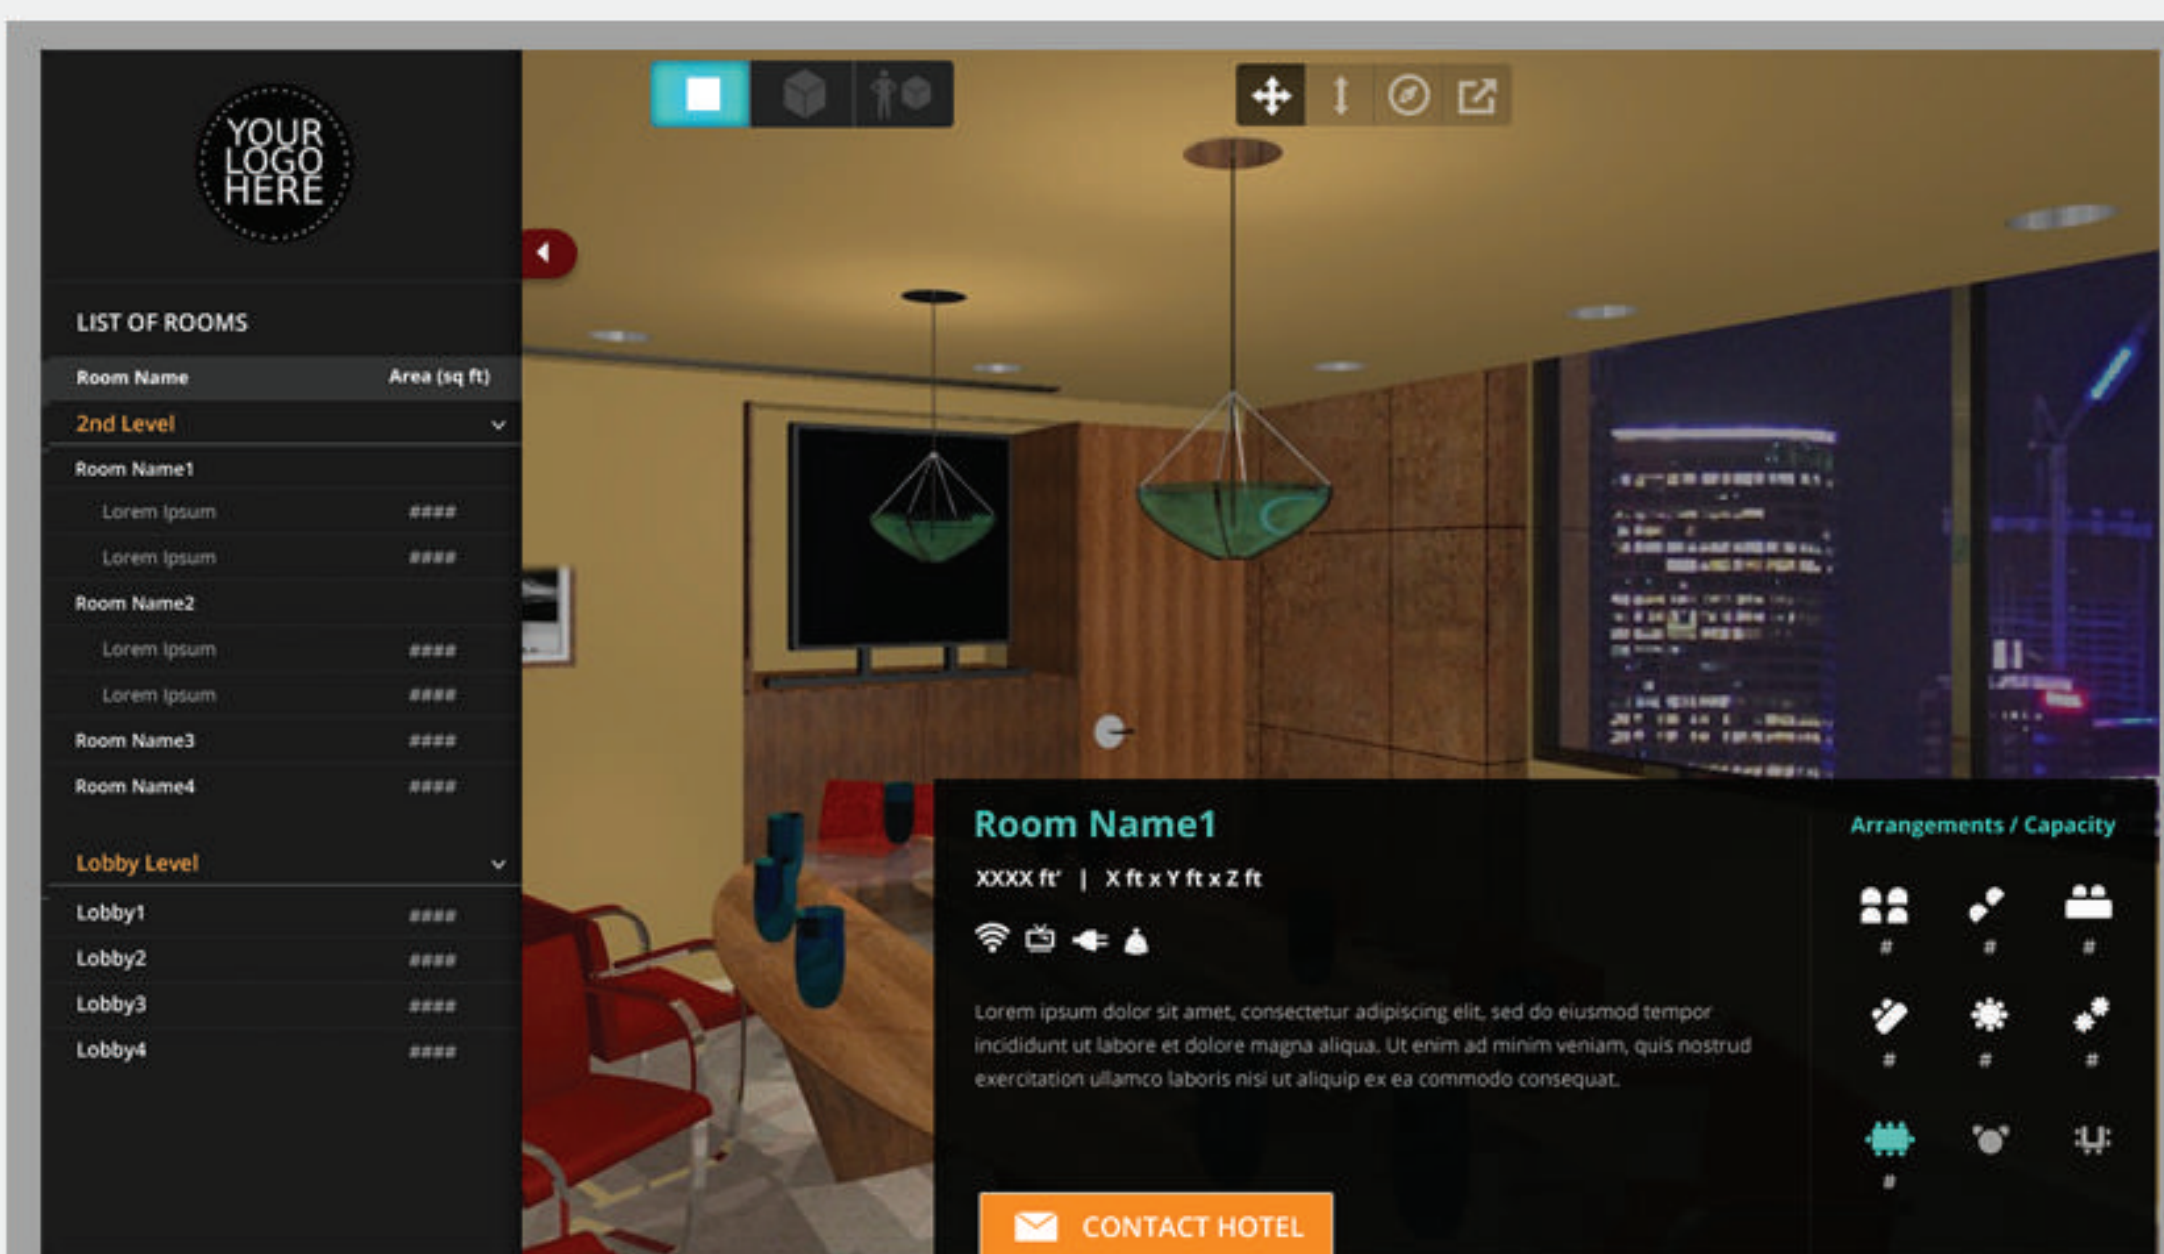

## SEATING

Manage your guest lists and seating arrangements.

## VIRTUAL TOUR

Invite your clients to a virtual tour of your event space, in granular detail, through the app or an onsite widget.

### CHECK IN

Check guests in (and out) and easily handle last minute arrangements.

### SCHEDULING

Track and monitor your event schedules.

### CLOUD PLATFORM

Access and make changes from the cloud, at any time.
